

1. Which campuses will the supper program be out of? I am estimating based on the total units provided on the RFP that is amounts to about 100 suppers/day; if it will be out of multiple campuses, can you please advise what the supper meal counts are per campus?

Currently suppers are served at East. Shelby County is the current sponsor for that program.

2. What time will the suppers be served?

Supper will be about an hour after school

3. Will the FSMC be required to serve and also do the tic sheets for the suppers?

Yes
